B Day

Good morning Kulshan!

- Library News: All of our shelves in the library have been adopted! Thank you all for signing up. Stay tuned for more volunteer activities in the library.
- OK students, yes, that means you! Do not remove the plastic name identification tag from your laptop bag. The name tag is very important in case your laptop goes missing.
- Hey students, if you would like to submit a proposal for a Kulshan Club, please fill out the "Club Proposal" form during lunch in the main office by Thursday, September 14. In the past, we have had students propose clubs like Minecraft club, Knitting club, Garden Club, and Theatre club. Clubs are approved based on club advisor availability and funding. Club start dates will be posted and will be announced during our Morning Announcements!
- Call all 6th grade students! Are you curious about ASB and/or want to run for office? Then you must attend the meeting TODAY, at the beginning of LINK, in room 106. Don't miss out on this great opportunity.
- Now please stand for the Pledge of Allegiance (pause!)...hand salute. (pause) "We pledge allegiance to the flag of the United States of America...."
