A Day

Good morning Kulshan!

- Don't forget, club proposals are due tomorrow. Clubs will be approved based on advisor availability and funding. Club start dates will be posted and announced during Morning Announcements!
- Thursday is our first Early Release and students will be dismissed at noon. Buses will be waiting for you so you must leave to board your bus as soon as school is dismissed. There is no school for student on Friday.
- Just another reminder that cell phones must be kept in your locker during school hours. This includes lunch time. Also, all backpacks must be kept in your locker. Backpacks are not allowed in the classroom.
- Now please stand for the Pledge of Allegiance (pause!)...hand salute. (pause) "We pledge allegiance to the flag of the United States of America...."
