PROGRESS REPORTS!

Hi families,

Two important updates:

1. **Progress reports were distributed to students on FRIDAY.** Students were supposed to show these to you and if they bring them back to me signed, they get a treat. Please take a look at their reports and let me know if you have any questions. There are only about two weeks left in the semester and students MUST COMPLETE ALL MISSING WORK before the semester ends in order to get credit.

2. **New units started this week – *The Hero's Journey* for 8th grade Language Arts and *Health and Disease* for 7th grade Social Studies.** Those units got off to a great start this week and I'm excited to see all the students' amazing thinking throughout these units.

Let me know if you have any questions or concerns.

Thank you!
