Good morning Kulshan!

A Day

- Attention all 6th and 7th graders, registration packets are due on Monday. If you do not have your packet turned in on Monday, your electives for the upcoming school year will be chosen for you.
- 7th and 8th graders please listen up! Due to the 6th grade assembly this afternoon, we are asking that all 7th and 8th graders pass between classes around the outside of the building after 2:30 today.
- Remember 8th grade students: today during extended learning the Options High School counselor will be coming to Kulshan to meet with students interested in learning more about Options. He will be meeting with interested students during Extended Learning today in the library. Please check in with our teacher for attendance before coming to the library. See you there!

In our Kulshan community, we are courageous, kind and committed.

Now please stand for the Pledge of Allegiance (pause!)...hand salute. (pause) "I pledge allegiance to the flag of the United States of America..."
