

Kulshan Communication

Webpage

Our school webpage can be found at <http://kulshan.bellinghamschools.org/>. The school webpage is your go-to source for valuable information. The drop down menu at top includes tabs such as Families which includes all you need to know about Skyward access, online lunch payments, and more. Sports seasons and schedules as well as registration and physical forms are under Athletics. You can even access Kulshan's catalog of books online under Library. Check it out!

Daily Announcements

The daily announcement is read each morning over the intercom system. This is how we communicate upcoming school sports and activity information to our student body. The daily announcement is also linked to Kulshan's home page each day. It is located under "Our School" and then "[Daily Announcements.](#)"

Email

Staff emails can also be accessed via the Kulshan Middle School web page under [Contact](#). If you know the name of the person you wish to reach emails are as follows: firstname.lastname@bellinghamschools.org.

Bus Routes

Bus routes and pick up and drop off times can be found by clicking on the Bus Route link on the Bellingham Public School home page or online at www.infofinderi.com/tfi/address.aspx?cid=BSD46M4MGX2Q.

Newsletter

Kulshan creates a monthly newsletter, Kulshan Connect, with information about current and upcoming school activities. The newsletter is emailed to families who have an email address in Skyward and it is also posted on our school webpage.

Skyward Family Access—Skylert

Skyward Family Access is an online program where you can track student progress, lunch choices/balance, attendance and more. You can access your student's district information by using the link on our website. Families can manage their contact preferences via Skylert. Skylert helps us send notifications to families when there is a weather emergency or bus change.

Phone Calls for Staff

Calls for teachers go directly to their voice mail. Please dial 360-676-4886 and when prompted choose option 7 then enter the 4 digit extension number of the person you wish to leave a message for.

Phone Calls for Students

Reminders and/or information regarding appointments and after-school activities should be given at home whenever possible. The office staff will deliver messages only in the event of an emergency. Non-emergency messages, especially those relating to after school activities must be received by 3:00 pm. We appreciate your cooperation in limiting the number of messages to students throughout the day.

School Messenger

School Messenger is a quick alert messaging service that the Bellingham School District and its schools use for emergencies, weather-related closures/delays, attendance, important school announcements and other general news. We encourage you to sign up on School Messenger to manage home phone numbers, cell phones, second households etc., and how and when you would like to receive information. If you haven't already, please take a moment to sign up for School Messenger by accessing the link at left on our school website.

The Stamp System

Grade level teachers will communicate more information on this important school to home daily communication which allows you to see if your sixth or seventh grade student is doing his/her job in class. Students receive a blue stamp daily for completing work, effort, practice, and participation. A red stamp is given when an assignment is late, but still counts as completed. Students should consistently have four stamps a day every day.
