

# SUMMER CHECKOUT AGREEMENT

**What:** Summer Checkouts from the KMS Library!

**If:** If you have returned all your library books by June 14 and returned the agreement, you may participate.

**How:** Starting June 14, check out up to 10 books at the end of the year, and swap them out during Swap Day (if you want). Return the rest at the beginning of next year.

**When (is Swap Day):** If you want, students may come in to swap out books in mid July, day to be determined (Mr. Shaffer will email you).

**Why:** Because reading is awesome and library books get lonely during the summer!

\_\_\_\_\_, agrees to the responsibilities of the Summer Checkout program. We understand that 10 books would have a value of over \$100, and we will do our very best to keep track of them.
